

SPARE PARTS ORDER

If you need to order spare parts for your engine, please take note of the required references in the relevant illustrated parts catalogue.

Then fill in our spare parts order form and sent to the following email address: ventas@heparamotores.com.

Within a 24H period, we will send you a proforma quote including transport costs to your delivery address.

For optimal efficiency, choice and transparency, we work with the following transport platform:

If you wish to go ahead with your order, then resend us a confirmation email and in turn, we'll give you our payment details.

Our current payment modes are:

- Bank transfer payments.
- PAYPAL.

If your parts are in stock, your parcel will be ready for shipment within a 3 day period. If your parts are not in stock, we will inform you on the extended delivery delay.

As soon as the delivery of your parcel is programmed, you will be sent a tracking information email to follow your parcel all the way up to your doorstep.
